Dear Brothers & Sisters,

Disaster Relief Fund

No doubt you have seen and heard about the destruction caused by Cyclone 'Larry' to property of our Queensland brothers and sisters in Christ. We have a few assemblies in the affected area but many more people have been affected by this cyclone. Stewards has made contact with our assembly in Innisfail and has received information on some of the needs. Some 1 in 3 houses have lost their roof and many have been without power for some time.

This letter is to remind all that Stewards administers a Disaster Relief Fund to assist those in need around Australia who have suffered from some form of natural disaster like cyclones, floods, fire etc. We distribute these funds to our assemblies and they in turn pass these gifts onto the needy in their area. This fund has a Deductible Gift Recipient status which simply means that we can issue a tax receipt for funds donated and the donor can claim this on their tax return. Anonymous donors and Assemblies are most welcome to give to this fund.

Gifts sent by cheque should be made payable to Stewards Foundation of Christian Brethren Disaster Relief Fund. If remitting funds by internet or electronically please send to Stewards Foundation of Christian Brethren Disaster Relief Fund BSB 082 338 Account 53 930 2758 with a reference Disaster Relief and separately email details if a tax receipt is required.

This practical area of giving is where the rubber meets the road in our Christian walk and God does not overlook the generosity of His saints. Your gift is always appreciated and be assured it is all used in the Lord's work.

Warm Christian Regards

Philip Adams
